### \* *Chesed Opportunity* \*

In our communities, there are many folks who are high-risk and home-bound during this time of social distancing. So we're calling on YOU to help us form a **Ramah Berkshires Volunteer Squad!**

All participants will be matched with senior citizens who are isolated, and currently isolated in their homes. As a volunteer, you will be expected to call your assigned person at least once a week to chat and check-in (we will provide you with some "talking points" and suggested conversation topics). Some of the people in need are over 100 years old, and it will truly brighten their days to have this social interaction over the phone.

If you're interested, please click [HERE](#) to fill out a form. This is a wonderful opportunity to do an important *mitzvah*, and we know that both those making and those receiving calls will benefit greatly from the experience.

## Virtual *Kol Ramah* 102.3

Missing your favorite summer radio station? You're in luck!

Kol Ramah 102.3 is coming on the air for a special pre-Camp broadcast! You can choose the *Kol Ramah* song of your choice and dedicate it to anyone in the Berkshires community that you choose. This podcast will be available on [kolramah.us](http://kolramah.us) and will be broadcast on our

live stream as well.

To participate all you need to do is record a voice message in Hebrew or English and send it via chat on WhatsApp to the U.S. phone number 917-821-9798. Please be in a quiet room so that background noise does not get picked up in your recording.

On the call, provide your name, *Kayitz 2020 edah* (or *Kayitz 2019 edah*), any shout-out that you would like to mention, and choose a favorite Hebrew or Camp song to dedicate. And don't forget to tell us why you are choosing the song. At the end of the recording say: "*Atem Ma'azinim L'radio Kol Ramah* - אתם מאזינים לרדיו קול - רמה"

\*You can also send an mp3 file to [studio@kolramah.us](mailto:studio@kolramah.us)\*\*
